Everyone is welcome!!!

Here are high level details of what is required. Please look over this and if you would like more details about the program please attend one of the listed meetings.

- You must be at least 16 years of age to work the Reds games.
- You will be required to attend 5-hour training class at Great American Ball Park before you can work. Details will be discussed at the meeting.
- You must be able to work in a concession stand (work on a register, pour beer, grill, setup, cleanup, etc).
- You will be at the ball park for approximately 7-8 hours and you will be on your feet this entire time without breaks. Report time is about 3 hours prior to game time and you must stay until after the game (including rain delays and extra innings)
- ALL minors (16-18) must be accompanied by a parent at this meeting.
- *Anyone who wants to work with ACEO MUST attend one of these meetings.*

We have found that the most successful members are those who come to the meetings and get the information first hand. So this meeting is **mandatory** if you plan on working!
