FROM THE principal

DEAR ALUMNI, PARENTS AND FRIENDS,

Once again, the school year has flown by and we find ourselves celebrating another graduating class, the class of 2017. I am proud to welcome them to our family of alumni and look forward to sharing in their continued success.

At graduation I challenged them to sustain the theme they chose for their Baccalaureate Mass "To Be Continued." As they move on I encouraged them to build upon what they have learned and accomplished at Holy Cross District High School. I hope that they take with them their hard work, determination and dedication to teamwork that allowed them to accomplish and surpass their goals during their time at Holy Cross.

Some of their accomplishments include: being a part of state and regional championships, the production of amazing artwork, performing excellent shows and their dedication to community service and others. This year the senior class donated \$500 to create the "Class of 2017 Scholarship" for a student in need. They have grown to know the importance of paying it forward. Academically their diligent work and focus has paid off with 63% of our seniors earning college scholarships. Additionally, many students were accepted into the Governor's Scholar Program and Governor's School for the Arts, their ACT scores were very impressive.

Most importantly I asked the students to continue to grow in their relationship with God, making time to pray and seeking guidance from the Holy Spirit when they need to make those important decisions that lay ahead.

What struck me most was watching the number of students that asked for photos with their teachers after graduation. I saw many students thanking their teachers for all that they have done during their time at Holy Cross. Our students truly know and appreciate all that our teachers do for them. The bond between teachers and students is what makes Holy Cross such a special place.

This year we bid a fond farewell to Mrs. Mary Beth Livingston as she moves into retirement. During her 26 years of teaching she touched countless lives both inside and outside of the classroom. Mary Beth is an excellent teacher whose passion for teaching took her students to amazing levels. She also is a tremendous mentor to her fellow teachers, especially to me. We wish Mary Beth all the best in her retirement as she travels and visits her children and grandchildren. Mary Beth will be missed but her impact will remain forever at Holy Cross – Thank You!

Although it is bittersweet to say farewell to the class of 2017, we hope that they remain Indians for life. It is now time to welcome the incoming class of 2021 to Holy Cross. I would like to thank you, our alumni and friends. Without your generous support our students would not have been able to accomplish all that they have done. I ask that you continue your support of Holy Cross so that we can continue to provide a complete Catholic education for our students.

With Respect and Admiration,

Presenting the Class of 2017

Senior Class Gift

This year we introduced the students to a new program, the Senior Class Gift. This program is a new tradition that challenged all seniors to donate \$20.17 in honor of their graduation year. The money raised created a "Class of 2017 scholarship" that will support a student that may otherwise not be able to reach their goal of graduation at Holy Cross High School. This year the seniors raised \$500 for the Class of 2017 scholarship.

There is no better way to leave a legacy than by paying it forward to our future Indians. The seniors were able to learn the importance of philanthropy through this special project. We hope to continue this tradition for many years to come.

Holy Cross Students Learn Life Lessons From Motivational Speaker, Zeke Pike

On May 5th Zeke Pike from number8ministries shared his story with the students of Holy Cross. Shelley Reardon, Teacher, SADD coordinator and Drug Free Clubs coordinator shares her thoughts below.

Zeke Pike's talk to our students at Holy Cross District High School was one of the most passionate, authentic and interesting presentations that I have witnessed in my 32

years of teaching. He was able to hold the attention of 380 teenagers and deliver a powerful message about drugs and alcohol by telling his personal and tragic story with a candor and honesty that resonated with our students.

He also graciously took the time afterward to pose for pictures, sign autographs, and answer questions. I was absolutely blown away by the positive impact Zeke had on our students and the feedback that followed.

I feel blessed that we brought Zeke to speak to our students and highly recommend him to any school. The impression he left on our young people, teachers, and staff will last a long time. May God bless him for having the courage to relive his story and spread his message in order to help others. Thanks, Zeke.

Some of Zeke's most inspirational phrases were; "dare to be different", "live with a purpose", "stand tall", and "if you show me your friends, I'll show you your future."

2017 Baseball Recap

The 2017 varsity Indians finished their season with a 13-24 record. Along the way there were some memorable highlights. Holy Cross won its bracket of the Doc Morris Classic with victories over Grant County and Cooper. They had good wins over Scott, St. Henry and often played well against some of the region's best teams.

A number of players had their personal "first" in varsity competition. **Parker Zimmerman, Ben Borman, Owen Finke** and **Jordan Niehaus** won their "first" pitching victories. **Jason Russell, Ben Borman, Kevin Cusick** and **Loel Haggard**, each had their "first" varsity base hits. **Ethan Baker, Ben Borman, Loel Haggard, Hunter Twehues, Elijah Hisle, Jason Russell** and **Harrison Tuke** made their "first" appearances in varsity competition.

Jake Webster, Joey Yancey and **Brian Carl** made the Northern Kentucky Athletic Conference All-Star Team.

Jake Webster and **Joey Yancey** hit their way into the Holy Cross Baseball Single Season record book. Webster is now among the leaders in batting average, hits, doubles, triples, stolen bases, RBI's, and runs scored. Yancey's outstanding offensive season landed him among the elite in batting average, hits, stolen bases and runs scored.

The junior varsity team had a great season finishing with a record of 16-8. They had signature victories against Campbell County, Scott, Dixie, Boone County, Newport Central Catholic, Brossart and St. Henry. They defeated Scott in the first round of the JV Regional before bowing out against Covington Catholic in the quarterfinals.

The freshman team, led by first year coach and Holy Cross baseball alumnus, **Gordon Lovensheimer** '16, also had a very fine season. The young freshman squad of eight freshman and eight 7th and 8th graders, won 5 games playing a schedule laden with big schools. The most important aspect

Baseball seniors with Coach Ryan and Barth

of their season was the tremendous amount of practice time put in by the coaching staff and players. They practiced on the ball fields at the Covington Complex, at the Holy Cross outdoor batting cage and at the indoor facility at HITS. The result was increased skill improvement.

Post season honors include: All NKAC Conference – **Jake Webster, Joey Yancey** and **Brian Carl**; All Northern Kentucky Baseball Coaches Assn 9th Region Team – **Jake Webster** and **Joey Yancey**.

Girls Fast Pitch Softball Roundup

The 2017 Lady Indians fast pitch softball team finished the regular season with a record of 14-11. They were 35th District runner up losing to Notre Dame in the finals. They ended their season by losing to Connor in the first round of the regional tournament.

The team was led offensively by seniors **Courtney Turner** and **Alehia Tucker** who both hit over .500 on the year. Sophomore **Natalie Sparling** and **Kaitlin Turner**, along with Freshman **Piper Macke** all hit over .400.

Natalie Sparling and **Maddie Hyde** were both named to the 35th district all tournament team. **Alehia Tucker** was named "Player of the Year for Division II."

The lady Indians lose to graduation the following seniors, **Alehia Tucker, Courtney Turner, Alexis Stewart, Haley Wendt** and **Lara Klein**.

ALUM CALLERY HAD BIG SENIOR SEASON AT OU

Former Holy Cross Indian's baseball star, **Connor Callery** '12 had an all star season for the Ohio University Bobcats. Callery started 41 of 42 games at 3rd base this season. After the game at Morehead State University, Call-

ery pushed his current hitting streak to 15 straight games. That was not the only highlight of the day for Callery. He also hit his 1st collegiate home run.

As the Bobcats headed into the final weekend of Mid American Conference play, Callery was second on the team in batting average at .320, third in base hits and in 169 total at bats, had struck out only 12 times. At the hot corner, he had committed only 4 errors.

His baseball career at Holy Cross was even more amazing. Connor Callery struck out a total of only 6 times in his high school career encompassing over 500 at bats. He also holds the KHSAA record of 38 consecutive games with at least one hit. During his senior season at Holy Cross, Callery hit .455, collected 45 hits and 27RBI. He was named All State in Kentucky 2013.

2017 Diamond Club Members Inducted

On Friday night, April 28th, the Holy Cross Indians introduced its four newest members into its Diamond Club. Inducted into the Indian's Hall of Fame for their tremendous baseball careers while at Holy Cross was **Greg Laws** '97, **Tony O'Donnell** '97, **Rob Feldman** '00 and baseball coach **Lee Meeks**. Each new inductee received a Louisville Slugger baseball bat with their name inscribed on it.

BOYS AND GIRLS TENNIS REHASH

The girls' tennis team finished with a record of 4-8 this year. They added a number of new players this year, ensuring a full team for next year.

The boys' tennis team finished with a record of 5-6. Brothers, **Braden Vicars** and **Casey Vicars**, had a winning record as a doubles team. Senior **Austin Bosley** was the teams standout performer and had a great season. He graduated this year. The loss Bosley and **Collin Newman** to graduation leaves the boys' tennis team with only 6 players, 1 shy of a full team. They hope to gain more players next year.

Overall it was a great season for the tennis teams with young and experienced players able to shine. The new players grew quickly into impressive players with a great future. We are looking forward to seeing both the boys and girls teams grow in years to come.

Track & Field Rundown

It was an exciting year for the Track & Field teams. Senior **Derrick Barnes** finished in first place for the region for Shot Put, then went to state and won the same event at state. Derrick didn't lose a meet in Shot Put all year. He broke his previous record and school record with a throw of 51' 11.

Senior **Rashard Ross** finished 2nd in every meet he was in with the exception of the state meet where he finished 3rd in the Shot Put.

Senior **Drew McIntosh** also had a great season scoring points in every meet. He finished 3rd in the region for discus and 14th in the state meet. He beat his previous record with a 119 in the state meet. This is all after having major shoulder surgery to his throwing shoulder.

The throwers were the highlight of the track team, consistently scoring high points in every meet. Most all points scored were by the throwers. They totaled 24 points at the state meet, the winner of the entire boys meet had 59.

FOOTBALL PREPARES FOR 20TH SEASON UNDER KY PRO FOOTBALL HALL OF FAME COACH KOZERSKI

As we celebrate our 20th season of football at Holy Cross, we also get to celebrate our coach, Bruce Kozerski. On Friday, June 23 Coach Kozerski was inducted into the Kentucky Pro Football Hall of Fame. The black tie, red carpet event was held at the Opera House in Lexington KY with family and friends there to support and thank Coach Kozerski for all he has done.

In order to be inducted into the Kentucky Pro Football Hall of Fame one must have been born and raised in the state of Kentucky, played college football in the state of Kentucky or made a significant impact in the football community in the state of Kentucky.

Bruce was inducted because of his work at Holy Cross High School and the positive impact he has had on our students on the playing field and especially in the classroom. We are proud of Coach Kozerski and are very privileged to have him here at Holy Cross.

What a great opportunity for your child, relative or child of a friend who wants to play high school football to be able to learn and play for a great coach who just also happens to have played professional football for twelve years as a Cincinnati Bengal.

ALUM SEIBERT GROWING WITH THE CCU PROGRAM

Both the Cincinnati Christian University baseball Eagles and former Holy Cross High School baseball standout, **Jared Seibert** '15 took major strides in the second year of the program's existence.

The 2016 season was the freshman season for Seibert and the first in university history for CCU. The team struggled through a 2-42 season record and a 1-23 Kentucky Independent Athletic Conference record. Seibert's performance was typical of a freshman.

"Jared was asked to do a lot that first year," commented Head Baseball Coach John Taylor. "He played shortstop, 2B, 3B, the outfield, he caught and pitched. He never complained. This is a lot to ask a freshman to do. Jared always gave his best effort and I knew I could count on him."

The one year of experience and the hard knocks of 2016 season for Seibert and the Eagles began to turn around in 2017. The Eagles moved into a new athletic conference, the River States Conference and finished 9th of 10 teams. Their 7-25 conference was only 2 games behind 6th place Brescia. The Eagles finished the season with a much improved 13-38 overall record.

Jared Seibert's second season went even better. He settled into 2 primary roles. He was the team's everyday second baseman and a late inning reliever. As the starting second baseman, Seibert batted .348; had a .406 on base percentage; knocked 40 hits, including 5 doubles and 10 RBI's. For his performance he was nominated for post season conference honors.

"We expect Jared to continue to improve and be a leader for the next two years. He is the type of player we want in our program," stated Coach Taylor.

Remember When

by JIM FELDMAN '71

The recent passing of Father Wilfred Fraenzle evoked memories of a man who was totally dedicated to helping the poor throughout his ministry.

Fr. Fraenzle grew up in St. Ben's Parish, graduated from Covington Catholic in 1954 and entered the seminary soon after graduation. He was ordained on June 7, 1964. Prior to his ordination he was in charge of "Project Lancaster" in the mountains of Kentucky for two years. At one point, he spent five weeks street preaching there, possibly sparking his devotion to helping the people of Appalachia.

His first assignment after ordination was as assistant pastor of Holy Cross Church. He also served as spiritual director of the Junior League of Mary, YCS and CFM. During his four years at Holy Cross, he also taught freshman and sophomore religion.

However, his biggest and most lasting impression had to be starting the Mountain Mission Program here. In the summer of 1964, he arranged for ten junior and senior

"to be" girls to go to Paintsville and Lancaster to help the priests and nuns do manual labor.

The five girls who went to Paintsville cleaned, painted and readied for the re-opening of Our Lady of the Mountains School, a forty room former mansion operated by the Sisters of Divine Providence.

The Lancaster girls also cleaned and prepared for the upcoming school year. They also learned to like raisins, because, according to **Kathy Lemmons Hoffman '65**, they were in every dessert served while they were there.

Every year that he was here, Fr. Fraenzle took groups of students to work in the mountains. Even after he was re-assigned at the end of the 1968 school year, the Mountain Missions Program continued at Holy Cross.

I don't know when it ended or if Fr. Fraenzle was always the organizer, but the yearbooks always included photos of the volunteers among the activities listed at the school. The last group of workers was pictured in the 1977 yearbook. The photo below is from the 1974 yearbook.

First row; Julie Sketch, Onie McGee, Nancy Anderson, Terri Owen, Barb Karlage, Diana Roenker, Peggy Stewart, Karen Downing, Mary Anne Meier, Vanessa Hammer; second row: Marilyn Schawe, Patty Wagner, Kathy Zimmerman, Kiane Anneken, Mary Topmiller, Sue Hughes, Karen Lentz, Debbie Overwein, Dianne Lehman, Carol McGlone; third row: Cheryl Wahn, Paulene Grout, Bridget Hammer, Joanie Meyer, Diane Price, Cindy Cummins, Linda Roenker, and Darlene Crout.

Class of '67 Sails Down Memory Lane on BB Riverboat Cruise for 50th Reunion

The Class of '67 celebrated the fifty years since graduating Holy Cross High School with a BB Riverboat Cruise and a trip down memory lane, Saturday, June 10. Twenty-nine classmates, plus significant others, made the reunion.

Billie Jean Daly, who organized the event, says she was happy with how the event went. "We had good weather and a successful reunion, and I think everyone had a great time." In remarks to the class, Billie Jean noted class members who had passed, including, most recently, attorney **Pat Hickey**.

The class also meets for lunch on the third Tuesday of the month, at 12:30 at PeeWee's in Crescent Springs and has its own Facebook page.

The Class of '67 attended HCHS during turbulent times. A few months into freshman year, an assassin killed President John F. Kennedy, the country's first, and so far, only Catholic to serve as president. The Civil Rights Movement was making steady, but uncertain progress, and the U.S. involvement in the Vietnam War was ratcheting up. The Israeli Seven Day War happened about the time the class graduated.

The Beatles visited Cincinnati, and in 1967 released its *Sgt. Pepper's Lonely Hearts Club Band* album. Mini skirts were a fashion hit. Reflecting the Civil Rights Era, hit movies in 1967 included *To Sir, with Love*, *In the Heat of the Night*, and *Guess Who's Coming to Dinner*. But there were no cell phones, personal computers, email, ebooks or Facebook.

IT'S NEVER TOO LATE TO SHARE GOOD NEWS

The classes of 1961 and 1965 celebrated special reunions in late 2016 that were accidentally left out of the previous newsletter. We apologize for the omission and congratulate all class members.

Class of 1961 celebrated their 55th class reunion on August 13, 2016 at the Fort Mitchell Country Club. They had a great turn out and as you can see from the picture all who attended had a wonderful time.

Class of 1965 enjoyed their 50th class reunion on November 6, 2016 and over 70 classmates, friends and teachers attended. Friday night was dinner at Twin Oaks which included a wonderful memories filled Power Point presentation, a 1965 trivia game, good food and lots of camaraderie. Saturday evening some classmates joined the Holy Cross Community for Mass, which was celebrated by Fr Robbins, had a tour of the high school given by Scott Reed, then ended the evening at Legends Bar and Grill. Overall the '65 reunion was a huge success!

2017 Holy Cross Indian Summer Festival Moves to August 25 and 26

On Friday we are very excited to announce the band The Rusty Griswold's will headline the festival. 2016-17 ANNUAL APPEAL DONATIONS HELP UPGRADE TECHNOLOGY AND PROVIDE TUITION ASSISTANCE

Thank you to all who continue to support Holy Cross High School year after year, and also to the many new donors – we desperately need each and every one of you. No donation is too large or too small. If you have not yet donated, please consider this very worthy cause. You can send your donation by mail to the Advancement/Alumni Office. If you have any questions about making a donation please contact the Advancement Office 859-655-2190.

Holy Cross High School is a place of faith, trust and concern for each other. The major focus for this year's appeal has been tuition assistance so that Catholic education is available to anyone, regardless of their financial situation. Because of your generous support, we were also able to upgrade some of our technology.

Plans are underway for the 2017-2018 Annual Appeal and the information will be in the mail in October.

BLESSING OF BENEFACTORS DINNER WILL KICK OFF 2017-18 ANNUAL APPEAL

The Blessing of Benefactors Event will be held again this year as a kick off to the 2017-2018 Annual Appeal at the Twin Oaks Golf and Plantation Club. The event was added as a way to acknowledge and thank individuals who contribute \$1,000 or more annually. It is also an opportunity for people to donate or pledge prior to the start of the Annual Appeal. It has been a huge success and continues to exceed our expectations. Last year through the generous support of those in attendance and others who were unable to attend nearly \$145,000 was raised which went a long way in helping to accomplish our goal of keeping tuition increases at a minimum.

Once again the Blessing of Benefactors Event is slated for October. Invitations will be mailed around the second week of September. If you are interested in attending the event please contact Emma Trieger, Director of Advancement, at emma.trieger@hchscov.com. It should be another fun and memorable evening for everyone attending.

Joe says "I have LOVED my time at Holy Cross. I love the culture here, the teachers, the students. I am leaving behind a copy of the resources I've developed to help support future Spanish teachers here and to make the transition as easy as possible. I am sad to go but am also looking forward to getting myself established in the next stage of my life. I will look back on my time here fondly"

HOLY CROSS ALUMNUS PUBLISHES NOVEL SET IN CINCINNATI AND NORTHERN KENTUCKY

Holy Cross alumnus **Gary Reed '67** is the author of *A Fatal Cell Phone Video*, a legal thriller set in Cincinnati and Northern Kentucky. With a “ripped from the headlines” feel, the novel revolves around the discovery of the murder of a young woman from a prominent Cincinnati family. Her cell phone contains video, made shortly before her death, of her husband, a trauma surgeon, and a young Filipino nurse going into a sleazy motel.

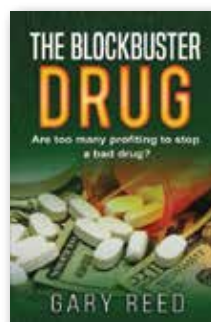

Kathy Lutz '67 told her former classmates, “I would recommend it – it’s one of those books that I said, ‘I’ll just read one more chapter before going to sleep,’ and wound up reading several.”

In the novel, the prosecutor is running for Congress on an anti-immigration and anti-Muslim platform. On learning that the physician-husband is a Muslim from the Middle East, he makes the prosecution of the husband a centerpiece of his campaign. The dead woman’s best friend, however, has a

different theory. Can young attorney Devin Garner win an acquittal in his capital murder trial?

Gary Reed became interested in writing when he wrote for and edited the *Herald*, the HCHS student newspaper, and contributed to a HCHS literary journal in his senior year. Reed subsequently wrote for and edited the student newspaper at Xavier University.

Reed practiced law, first in private practice, and later with ChoiceCare Health Plans and Humana Inc. At Humana, Reed built and led the practice group that handled Humana’s litigation and independent investigations around the country.

Reed’s first novel, *The Blockbuster Drug*, drew on his experience as a health care lawyer. Both novels are available from Amazon, Barnes & Noble, and other booksellers. Reed is currently working on an historical novel that takes place in the summer of 1939 Covington, Ky.
