FROM THE principal

DEAR ALUMNI, PARENTS AND FRIENDS,

With another year coming to a close we find ourselves celebrating another graduating class, the class of 2018. As I reflect back on this school year, I find myself drawn to our theme “Be Kind, Be Humble.” I think about all the things we as a community have to be thankful for. We are blessed with a wonderful faculty and staff, hard-working and resolute students and ever-changing learning environments that allow our students to grow and explore their potential.

I am so proud of all of our graduates and the wonderful things they have accomplished this year. Some of their accomplishments include; various championships on the playing surfaces, the production of amazing artwork, performing excellent shows and their dedication to community service and others. This year the senior class collectively donated over \$400 to create the “Class of 2018 Scholarship” for a student in need. They have grown to know the importance of philanthropy.

Academically the students’ diligent work and focus has paid off with 63% of our seniors earning college scholarships. This year we had 12 seniors that were part of the Elite 30 Club. A special congratulations to **Christian Bales**, Valedictorian, **Katherine Frantz**, Salutatorian and **Wesley Schmidt**, a National Merit Finalist. All of these students put in much time and dedication over the last four years to achieve these honors. Although it is bittersweet to say farewell to the class of 2018, we hope that they remain Indians for life. It is now time to welcome the incoming class of 2022 to Holy Cross.

I would also like to share an update from the spring issue of the *Herald*. We have selected SHP as our architectural firm to complete a Facility Assessment and Master Plan study. SHP has started to meet with faculty, staff, students and alumni to better understand what our collective vision for HCHS is.

I would like to thank you, our alumni and friends. We are so thankful for your past gifts and commitment to Holy Cross. I ask that you all start to consider an investment in the future of Holy Cross so that we can continue to provide a complete Catholic education for our students and educate the next generation of leaders and innovators. Your gifts create countless opportunities for Holy Cross students to learn and explore both inside and outside of the classroom. We have big plans and bold visions for the future of Holy Cross. I hope that we can count on all of you to make that a reality. We will have more information to present at our Blessing of Benefactor celebration in October. I hope that you all give thought to coming.

With Respect and Admiration,

2018 Senior Class Gift

This year the Advancement Office introduced the senior class to the Senior Class Gift. This program is a new tradition (started last year with the class of 2017) that challenged all seniors to donate \$20.18 in honor of their graduation year. The money that was raised created a “Class of 2018 scholarship” that will support a student that may otherwise not be able to reach their goal of graduation at Holy Cross District High School. This year the seniors raised just over \$400 for the Class of 2018 scholarship.

There is no better way to leave a legacy than by paying it forward to our future Indians. The seniors were able to learn the importance of philanthropy through this special project. We hope to continue this tradition for many years to come.

GOVERNOR'S SCHOLAR PROGRAM ACCEPTS BREANNA YOUNGER AND SARAH BARTH

The Governor's Scholar Program (GSP) is a five week summer residential program for outstanding high school juniors. Students must complete an application and be nominated for the program by their school. Over 1,000 Kentucky students are selected yearly based on a thorough application process detailing their academic achievement, extracurricular involvement, volunteerism and personal integrity.

Breanna Younger was accepted into the Governor's Scholar Program, and **Sarah Barth** was selected as an alternate.

GOVERNOR'S SCHOOL FOR THE ARTS CHOOSES BLAYR AND DOMINIC LEMMA

The Kentucky's Governor's School for the Arts (GSA) is the sister program to the Governor's Scholar Program. GSA auditions promising high school sophomores and juniors in nine different art disciplines: architecture & design, creative writing, dance, drama, instrumental music, musical theatre, news media, visual art and vocal music. Over 1700 students apply to the Governor's School for the Arts summer program. From this number only 256 get to attend this amazing summer program. Graduates from the programs are eligible for a host of scholarships and educational opportunities in all fields of study.

Blayr was chosen for Fine Arts and **Dominic Lemma** for Drama.

Emma Lehmkuhl, Sean McIntosh Named to 2019 Regional Youth Leadership Class

Regional Youth Leadership is a program for outstanding Northern Kentucky/Greater Cincinnati area high school juniors who demonstrate leadership potential and a strong commitment to community service. The purpose of the Regional Youth Leadership Program is to help build leadership skills and further encourage community involvement among young people. Each year the Regional Youth Leadership Program selects a diverse group of approximately 45 juniors from throughout the Northern Kentucky/Greater Cincinnati region to participate in a program to learn about the complex issues and challenges facing the greater metropolitan area. The program is a series of sessions held monthly during the school day from August through March. Each session is held at a different business or organization and managed by community leaders.

Joe Martin Selected for the Commonwealth Honors Academy

The Commonwealth Honors Academy (CHA) is an exciting, challenging three week academic, social and personal growth program for outstanding high school students who have completed their junior year. All students applying for the CHA should have at minimum a 3.5 GPA on a four point scale) and a 25 composite ACT score. The Academy differs from the traditional high school in its approach to learning and in the creation of a living-learning community. CHA offers students a chance to know and make friends with other enthusiastic, energetic students with high intellectual capacities. The interaction of students with different backgrounds is one of the most valuable aspects of the academy.

Upon completion of CHA students will receive six hour of university credit, have the opportunity to take six additional hours of tuition free university courses at Murray State University during their senior year and be awarded a four year, \$2,000 per year housing scholarship to attend Murray State University.

WESLEY SCHMIDT IS HONORED AS NATIONAL MERIT FINALIST

Wesley Schmidt is one of only 15,000 students in the entire country to be selected as a National Merit Finalist. This was based off of his PSAT score and National Merit application. What a great honor and accomplishment!

Currently, they are in the selection process of naming the National Merit Scholarship Winners.

Good luck, Wesley! Congratulations on this outstanding accomplishment! Wesley will be attending Columbia University in the fall.

MEGAN ACKLEY TO SPEND A VERY CREATIVE SUMMER

Megan Ackley '20 has been hired as an apprentice artist for the Artworks Sum-

mer program. Only 120 artists were hired as apprentices for this summer, with over 300 having applied. Megan will be working to create a mural project in the Finneytown area of Cincinnati, beginning on June 4th.

Megan was also accepted for a week-long Creative Writing Institute in Washington DC at Georgetown University's Summer Program for high school students. Megan will spend the week of August 5th-11th living on campus at Georgetown in Washington, D.C. She will be attending writing workshops and classes, as well as visiting sites across the nation's capital. Holy Cross is very proud of Megan for these wonderful accomplishments!

Senior Artists Display Their Work for All to See

On Thursday, May 17th Art teacher Craig Lipscomb transformed the art department into a gallery of works of art created mainly by his senior art students. How exciting it was for the students to be able to show off their four years of art to family and friends. There were more than two hundred guests who enjoyed viewing the works and talking with the artists while enjoying refreshments.

Artists: **Anna Bergman, Kiley Hobbs, Ryan Hobbs, Savannah Lewis, Suzie Martin, Hayden Monson, Hailey Parades, Jason Russell, Brennan Schaefer, Julia Schmitz** and **Juliana Warde** were featured.

Thank you to all that made this night possible and to all that came to support the artists and their incredible teacher, Craig Lipscomb.

Y-CLUB WRAPS UP BUSY WITH NEW EXPERIENCES

In January 2018, members of the Holy Cross District High School Y-Club, along with teacher moderators **Katie Miller '05, Rob Knox '05, Amanda Reed '00,** and **Scott Reed '02,** traveled to San Francisco, CA for the Harvard Model Congress.

Prior to arrival, students were assigned to members of our current federal government. It was the responsibility of each student to study their assigned congressman, cabinet member, or government agent, so that they could debate, vote, and/or create legislation as that person would. Some interesting and prominent assignments include but were not limited to **Katharine Frantz** who modeled then Sec. of State Rex Tillerson, **Kraig Krumpelman** who modeled White House Chief of Staff Gen. John Kelly, and **Jacob VonHandorf** and **Ehmet Thornton-Ayers** who represented members of the CIA and FBI.

Each student participated in model legislative committees, and even a "Crisis Situation" in which key model government representatives (the students listed above) were gathered for a Midnight Crisis to prevent attack on the United States by a nuclear warhead. The Crisis Situation was a very late night for students, but it was an exceptionally exciting experience for all of them.

Again, students from Holy Cross, being from one of only 3 states east of the Mississippi represented at the conference, stood out for their outstanding speaking abilities and creative thinking. **Hayden Monson** and **Braden Vicars** were recognized within their committees for their outstanding work, and **Wesley Schmidt** won a speaking contest and was granted the honor of delivering a speech on the final day of the conference.

The trip to San Francisco did allow for some time for students to explore the Bay area. Some, like history teacher Scott Reed, even got to dip their toes in the frigid waters of the Pacific Ocean for the first time. The group toured China Town, and enjoyed eating at a family style Chinese Restaurant. They heard tales of 19th Century ships that came to San Francisco during the gold rush and were eventually ran aground and built into the local architecture. They ate Ghirardelli chocolate and In and Out Burger, and took a boat across the bay to visit Alcatraz Island.

In March, the Y-Club took its largest KUNA delegation in school history to the Galt House in Louisville representing the countries of Peru and Ireland. This group included many new faces in the freshmen and sophomore classes who attended as citizens of Peru. Juniors and seniors represented the country of Peru. Once again, Holy Cross District High School made a successful effort in all of its creative elements, proposed resolutions, and student involvement and leadership. Junior **Natalie Sendelbach** ran for executive office. Although she did

SPRING SEMESTER AND SEVERAL AWARDS

not win one of next year's conference leadership roles, losing to schools with more voting power at the model U.N., she impressed everyone with her poise, intelligence, and the passion with which she ran her campaign and pushed for stronger awareness and world wide effort in the areas of global health, education, and safety. Natalie traveled to Ghana in the summer of 2017 and participated in a life changing experience that has inspired her to continue to fight to bring awareness to the struggles of people in other parts of the world.

Prior to traveling to Louisville, several students dedicated many hours to building this year's global village. Our tallest build yet, the facade of the HC global village was a towering representation of Peru's Machu Picchu beautifully hand painted by seniors **Juliana Warde** and **Brennan Schaefer**. Their artistry was a significant reason why the global village received special recognition. Inside the global village, students representing Ireland welcomed visitors to a mini Irish pub complete with St. Patrick's Day decor (as the holiday followed the next week), Irish music, card games, and even some Irish step instruction.

For the international stage competition, 8 students spent several weeks learning an Irish social dance under the guidance of Mrs. Reed and the soon to be named "dance mom," **Jake VonHandorf**, who would not allow any slacking in their stepping. They presented a very joyful, and crowd pleasing dance that received raucous applause.

On day 2 of the conference students traded their cultural attire for business wear, and began the work of passing resolutions in model U.N. committees. Their goals were to bring awareness to and provide aid for countries devastated by natural disasters, as Peru has been in recent history, and to create a more equitable required amount of peace keeping troops coming from developed countries. Currently, the small nation of Ireland, provides a much larger amount of peacekeepers than all developed nations, including the U.S.

In the legislative program, seniors legal partners **Jacob VonHandorf** and **Kati Nolan** were recognized once again for their outstanding presentations and legal arguments in front of the model International Criminal Court (ICC). **Jacob VonHandorf** was selected as an Outstanding Advocate and was teamed up with a student from another school to present the case during the showcase round on the final day. Both Jacob and Kati have been exceptional student advocates, bringing home awards every time they participated in the legislative program.

Once again, HC students met with success as a result of their well researched resolutions, their speaking abilities, and their awareness of the needs of others in the world.

The current state of the Holy Cross Y-Club is one of tremendous size and pride. In the last five years, the revival of the Y-Club has grown from just five students, to more than 100. The Y-Club has gone from just attending as participants to being active members in every single program offered by the Y-Club, and have been consistently bringing home awards for several years. As one of the few northern Kentucky schools lucky enough to have a Y-Club, Holy Cross has stood apart from the others by always striving to do more; to challenge the students to believe that they can and will be the leaders of the future. All of this growth and achievement would not be possible if it were not for the inspiration of English teacher **Katie Miller '05**, who remembered enjoying the program during her own time at HC, and decided to revive it with the help of **Rob Knox '05**. Together they led the program to its current state of boasting 25% student body membership, and the addition of three teacher moderators. As Katie Miller prepares to leave Holy Cross for the Sunshine State, the Y-Club students and teacher moderators would like to give a special word of thanks for her inspiring leadership and gift of her time, talents and energy to the students and the many clubs at HCHS. The Y-Club hopes to continue the program in such a way as to make her proud in the future.

COMBINED CHOIR PERFORMS MUSIC FROM THEATER AND FILM

On Tuesday, April 24th, 2018 the choirs at Holy Cross District High School combined to perform choral music from musicals and film. The 40-minute performance took place at the Notre Dame Academy Theatre. It included music from *Les Miserables*, *Dear Evan Hansen*, *Moana*, and more. The choral groups were made up of students in the Choir Class and Music Ensemble. We had a great turnout for the performance and all of the students did a great job!

A free will offering was collected and with the money we have purchased an electric drum set and music for next year's performances. Next year, the Choral program will be performing a Christmas Concert to be held in Holy Cross Church in Covington and another Spring Choral Concert. Be sure to check the school website for dates and other details! We hope to see you there!

ANNE JULIAN AWARDED 9TH REGION ATHLETIC DIRECTOR OF THE YEAR

This past April the 9th Region Athletic Directors voted Anne Julian as A.D of the Year. All of the regional Athletic Director of the Year winners were then sent to all the A.D's in the state of Kentucky. Anne was voted as a top five finalist for the State Athletic Director of the Year.

Additionally, Anne has been recognized by The National Interscholastic Athletic Administrators Association (NIAAA) as a Certified Athletic Administrator.

To earn this distinction, Anne has demonstrated the highest level of knowledge and expertise in the field of interscholastic athletic administration. The voluntary certification process included a thorough evaluation of the candidate's educational background, experience and professional contributions, as well as a rigorous, comprehensive written examination.

Anne is one of an elite group of interscholastic athletic administrators nationwide to attain this level of professionalism.

The NIAAA is a national professional organization consisting of all 50 state athletic administrator associations and more than 10,000 individual members. It is dedicated to promoting the professional growth of high school athletic administrators and preserving the educational nature of interscholastic athletics and the place of these programs in the secondary school curriculum.

Holy Cross is very proud of Anne and all of her accomplishments. We are blessed to have her as part of our Tribe!

"I am honored to be named Athletic Director of the Year by my colleagues both at the regional level and at the state level. It has and always will be important to me that I represent Holy Cross in the best possible manner at all levels. This recognition acknowledges this and I am proud of the award. Holy Cross athletics is a wonderful representation of the character of Holy Cross District High School. Our coaches and athletes are successful on and off the playing arenas." - ANNE JULIAN

Track Team Sends Six Qualifiers to State in Four Events

The boys 4x800 of **Quentin Bergman**, **Archer Adams**, **Sebastian Baker**, and **David Roberdeaux** had the school's best performance of the past 5 years, returning to the state meet.

The boys 4x400 of **Sebastian Baker**, **Archer Adams**, **Dominic Hassert**, and **David Roberdeaux** finished 15th, and was a group of all seniors continuing a strong tradition of State 4x400 performances.

Izzy Fisk finished the season with the 16th fastest time for the 800 in the state, and she competed at State in that event.

David Roberdeaux set a personal best in the 800 at State, coming less than a second away from the school record. His time would typically medal at State, but with a very competitive field he placed 11th.

Yeiner Gonzalez was not able to finish his season because he tore his meniscus during a jump, but before the injury he had broken the school record in the Long Jump and High Jump.

Remember When

by JIM FELDMAN '71

I would like to share a few short stories concerning recent events.

A couple of people asked me, after reading the last newsletter, why Clay Eifert went to 8th District in the first grade and why only he and his younger sister, Veronica, graduated from Holy Cross.

Sometime during the 1967-68 school year, the Diocese of Covington decided to close all of the 1st grade classes for the following school year. (I remember it, but I couldn't find out why they did this). Clay just happened to start school that year and with his older brother and sisters at Holy Cross, he didn't like 8th District. It had nothing to do with the school, he just felt out of place there.

As far as his siblings, Paul Jr. went on to Covington Latin School. Theresa, Connie and Sue followed in their mother's footsteps and chose to go to Notre Dame. Clay and Veronica were the smart ones.

Also, on a very positive note, 5 1/2 weeks after he died, Clay became a grandfather. Ashley and her husband, Jake, had a baby girl on March 20th, and named her Carmella, like Clay had suggested.

Sr. **Margaret Mary, OSB**, '41 (formerly **Sr. Boniface**) who recently passed, was a former grade school teacher and later librarian at Holy Cross High School until the

late 1980's. One summer, the high school had students to work in the building. Whether intentional or not, somebody instructed them to throw 3 large heavy boxes of the old original *Heralds* from the early 1930's to the late 1970's into the dumpster. Miraculously, Sr. Margaret Mary saw them in there, climbed in and got them out.

When I started writing this column almost 30 years ago, I often had to refer to this rescued history for my articles, and I still do. Kudo's to the memory of Sr. Margaret Mary, not only for her foresight in saving the *Heralds*, but also for her many years of service to Holy Cross.

(Please note, while I mentioned that the *Heralds* spanned from the 30's to the 70's, for some reason the issues from 1959 to 1965 are missing. If anybody would have these years, could we possibly copy them to complete the archives?

And finally, Kathy Lonneman, from the front office, called me recently and said that a student, for whatever reason, was trying to find out who was the oldest living graduate of Holy Cross High School. I checked it out, and to the best of my knowledge, **Virginia McGlone** '37 and **Adelma Timmerman Schoborg** '37, are the oldest living alumnus. If anybody is more "mature" please let us know.

Alumni and Friends Service Hall of Fame Inductees Honored at Ceremony and Dinner

Congratulations to **Terry Rudolph, Billy and Aimee Finke, Jamie Meier** '89 and **Ken Lameier** and **Wanda Conway** who were inducted into the Holy Cross District High School Alumni and Friends Service Hall of Fame on Friday, April 27, at the Madison Event Center in Covington KY.

These six individuals have dedicated many hours of their time and their tremendous support over many years has meant a lot to the Holy Cross community and we are pleased to welcome them into the Alumni and Friends Service Hall of Fame.

BLESSING OF BENEFACTORS DINNER WILL KICK OFF 2018-19 ANNUAL APPEAL

The Blessing of Benefactors Event will be held again this year as a kick off to the 2018-2019 Annual Appeal at the Twin Oaks Golf and Plantation Club. The event was added as a way to acknowledge and thank individuals who contribute \$1,000 or more annually. It is also an opportunity for people to donate or pledge prior to the start of the Annual Appeal. It has been a huge success and continues to exceed our expectations. Last year through the generous support of those in attendance and others who were unable to attend over \$140,000 was raised which went a long way in helping to accomplish our goal of keeping tuition increases at a minimum.

Once again the Blessing of Benefactors Event is slated for October. Invitations will be mail around the second week of September and if you are interested in attending the event please contact Emma Trieger, Director of Advancement, at emma.trieger@hchscov.com. It should be another fun and memorable evening for everyone attending.

LOOK FOR THE ANNUAL APPEAL INFORMATION TO ARRIVE IN YOUR MAILBOX IN OCTOBER

Thank you to all who continue to support Holy Cross District High School year after year, and also to the many new donors. No gift is too large or too small. If you have not yet donated, please consider this very worthy cause. You can send your gift by mail address to the Advancement/Alumni Office. If you have any questions about making a gift, please contact the Advancement Office 859-655-2190.

Holy Cross District High School is a place of faith, trust and concern for each other. The major focus for this year's appeal has been tuition assistance so that a Catholic education is available to all, regardless of their financial situation. Because of your generous support we were able to make technology upgrades and help many students through our tuition assistance program this year.

Plans are underway for the 2018-2019 Annual Appeal and the information will be in the mail in October.
