**Once you have registered your number, please send it to me along with your name and let me know what you want your 50% share of the profits to go to (school fees-any year, senior trip-any year, any team, organization, class, scholarship fund, school general fund or to just about anything except tuition). Send to Tina Feldman at [tina.feldman@hchscov.com](mailto:tina.feldman@hchscov.com) or at 859-291-8588.**

**To receive credit for your 50% share of the profits, every quarter you have to report to us your profit amount, from your online Kroger account. We send out parent e-mail reminders at the appropriate times for all of this, so it is very important that you register to receive the parent e-mails, which is on our website at [www.hchscov.com](http://www.hchscov.com).**

Get several family members, friends, neighbors and co-workers to register their card, and profits can accumulate quickly. You can use your share of the profits each year or let them accumulate for

several years. When your child is a freshman or even younger, you can start earning for their senior trip and hopefully by the time they are a senior, you will have earned enough for a free trip.

If you have any questions, contact Tina Feldman at [tina.feldman@hchscov.com](mailto:tina.feldman@hchscov.com) or at 859-291-8588.
