Mulch Delivery Schedule 2024

All HC students are required to deliver for 16 hours. Students can work a few hours on several different days to fill the required hours if needed. Students can have a parent, friend, relative, etc. work to earn hours for them. Make sure to sign in at the mulch delivery site so your student gets credit for your participation.

We also need adult volunteer drivers 21 or older, especially those who have a truck or can drive one of the big trucks we rent or adults in cars or vans to follow the big trucks with a load of students to unload the mulch. Adults do NOT have to carry mulch. They can be strictly drivers. We also need a few experienced forklift drivers.

The sign-up genius link is on the school website. If you have any questions, please contact Marcy Driscoll at 859-392-8999.
